Entrance to Parking

Event Parking

Entrance to Event

Transit Bus Stop

**Welcome Reception commences | 5:30 p.m.**

---

**Tunnel Experience | 5:30 p.m. to 6:30 p.m.**

- Glass-walled elevator will take you 180 feet beneath the main generator floor, where you will travel 2,200 feet through the tunnel
- The pathway is even and smooth, but be sure to **wear comfortable footwear**
- Look for benches along the way if you need to stop and take a break
- Despite weather on the surface, it can get chilly down there!  
Consider dressing for the weather and **bringing a coat/jacket**
- Once you reach the observation deck at the river's edge in front of the Falls, expect to get wet
- Recycled rain ponchos will be available at the end of the tunnel

Drinks will be permitted down the elevator and during your tunnel walk

---

**Inside Power Station – Generator Floor | 6:00 p.m. to 7:00 p.m.**

- Walk the generator floor. Discover the incredible history and heritage of this celebrated building
  - **Tour Guides at various locations** will provide history of the visionaries behind the power plant, as well as the workers that kept it running for 100 years
  - Observe unique architectural features of this century-old engineering marvel
- 

**Welcome Remarks | 7:00 p.m. to 7:10 p.m. in Forebay**

**NOTE:** Doors to Generator floor and tunnel will be closed

---

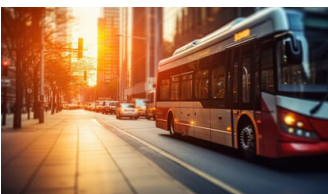

**Food Stations | 7:10 p.m. to 9:00 p.m.**

---

**Currents – an Interactive Lightshow | 9:15 p.m. to 9:45 p.m.**

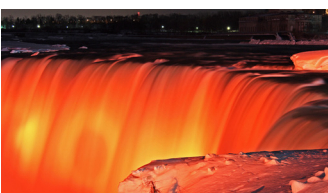

- Sound and light show on the Generator floor
  - Become part of the transformation of water to energy and feel the power station awaken with immersive special effects that react to movement
- 

**Pick-Up 10:00 p.m.**

**Depart from:** Niagara Parks Power Station to Fallsview Casino Resort  
**Drop-off location:** TBA

---

**Falls illumination**

WEGO Bus will drive by the Falls where it will be illuminated with Hatch colors honoring Hatch's 100 years in hydropower
